Died.

On the morning of April 8th, 1912, the precious soul of Maurine Riley, eighteen months old daughter of A. J. and Maudie Riley, took its flight to a better world. She was brought to the home of her grand parents, Mr. and Mrs. J. V. Riley in Snyder soon after she became ill.

For two weeks she was a sufferer from cholera infantum, and every thing that loving ones could do to relieve her was done, but the Lord had need of another of earth's sweet flowers, and sent his angels to bear it away to that better land.

Only those who have felt a parents fond love and pride to the first sweet sleeping words of their own little ones, can realize the desolation of this home and only the knowledge that she has gone to be with Jesus brings comfort in an hour like this.

The fond parents could only bow in humble submission to the will of God and say as their Lord had said in Gethsemane, "not my will but thine be done." Then like the healing balm to the wounded soul comes the promise, only a little while and you shall be with me. It is in an hour like this that we are made to realize how powerless we are to offer any comfort to the bereaved except the Word of God, and although our hearts go out in sympathy for them, we can only point them to the Lamb of God, who alone hath power to bind up the broken heart and give peace to all who fully trust in Him, and in the words of the Apostle Paul, "Now Lord Jesus Christ himself and God even our Father which hath loved us and hath given us everlasting consolation and good hope through grace comfort your hearts and stablish you in every good word and work."

### RAMSEY MEN LINE UP

Organize Campaign Club to Swing Scurry County for the Cleburne Man.

Persuant to call, a number of the supporters of Judge Ramsey in his candidacy for governor, met in the district court room Wednesday afternoon and organized the Scurry county Ramsey Club, with one hundred and forty two members enrolled. Owing to the fact that only a short time had been devoted to spreading the news of the proposed organization a great many people did not know of it in time to join while the papers sent out to various portions of the county for the names of members, none had at that time been returned.

The meeting was called to order and its purpose stated by Joe Strayhorn, whereupon permanent organization was effected with Judge H. B. Patterson as chairman and H. M. Boyd as secretary.

Hon. W. W. Hamilton delivered an eloquent impromptu address and T. J. Broxson and P. J. Ingle spoke briefly. The latter two gentlemen spoke from an intimate personal knowledge of Judge Ramsey gained by a friendship of more than a third of a century, a large part of which time they were his neighbors. They clasped him next to John H. Reagan in worth and ability.

The name of Scurry County Ramsey club was adopted.

A county campaign committee composed of H. B. Patterson, M. E. Roser, Joe Strayhorn, Mac Taylor, J. Z. Noble and J. B. Coleman was appointed.

The body invited Rev. Mills and W. W. Hamilton to address it at its next meeting which will be held in the District court room Saturday May 11 at 2 o'clock in the afternoon. The public generally is invited to be present and all who are favorable to Judge Ramsey's candidacy and who can do so are specially urged to come.

The lists will be circulated over the county and Col. Noble says he expects to see one thousand names enrolled for Ramsey.

### REPUBLICANS IN CONVENTION

Delegates Elected to State Convention Instructed for Taft For President.

Tuesday was politics day in Scurry county and Snyder had the honor to entertain representative democrats and republicans from all parts of the county.

There were two republican conventions. The wing of that party of which Dr. Farris is chairman met at 1:30 in the county court room and proceeded to endorse Taft for President.

Dr. Farris was elected as delegate to the state convention to be held in Fort Worth and W. A. Johnson Dr. E. Brock and J. M. Dixon were elected as delegates to the congressional convention at Sweetwater.

At 2 p. m. the other organization of the party of which G. B. Clark is chairman met in Judge Lowe's office. G. B. Clark presided and E. J. Anderson was secretary. The meeting was well attended. The report of the proceedings appear elsewhere in this paper.

Plenty of Money to loan at 8 per cent on good improved land.

### Attention Ramsey Men.

It is desired to organize a Ramsey Club that will reach every portion of the county and put every citizen in direct touch with the issues in this great race for governor. The nucleus of this organization has already been formed, but it is the aim to get every man in the county who favors Judge Ramsey's candidacy to have his name enrolled, if possible. If you would like to be identified with this cause give your name to myself or to any one of the following persons: H. B. Patterson, M. E. Rosser, Joe Strayhorn, Mac Taylor, J. Z. Noble or J. B. Coleman.

H. M. BOYD, Secretary,  
Scurry County Ramsey Club.

### OUR CITIZENS DEMAND.

In the first place, it is from a citizen of Snyder and can be thoroughly relied upon. W. T. Brice, Snyder, Texas, says: "I have used Doan's Kidney Pills and have found them very beneficial. My kidneys were weak, obliging me to get up often at night and I suffered from rheumatism twinges. As I had heard of the excellent results of the use of Doan's Kidney Pills, I got a box and in a short time after I began taking this remedy, my kidneys were well and my rheumatism pains removed. I can highly recommend Doan's Kidney Pills to anyone suffering from weak kidneys."
